

Please do not weaken New Jersey's "Do Not Call" law. My husband and I feel we have a RIGHT to our privacy and if WE CHOOSE to solicit information from a business or contractor we will do so. It was an absolute horror to continually receive unsolicited calls from businesses and phony charities night after night. Since placing our name on the "Do Not Call" listing in New Jersey, our home is no longer invaded by unwanted solicitations day after day. Do not weaken our law.
